CURRENT STATUS AND CONDITIONS AS OF OCTOBER 12, 2026

Governor Hochul has stated that she has opted into the federal scholarship tax credit program under Section 25F of the Internal Revenue Code. The Organization does not presently represent that it is an approved or qualified Section 25F scholarship granting organization.

This form expresses my present intention to consider a future contribution only if and when New York elects to participate for the applicable contribution year and the Organization satisfies all requirements necessary to receive and administer contributions under Section 25F and the applicable regulations.
